

Highlights – Representative Council – Wednesday, November 20, 2024

- **Dues** - Breaking News! YFA Reps voted unanimously to leave the YFA Dues Structure as is and revisit this topic in Fall 2027. The YFA Exec and Rep Council discussed this topic during 3 meetings to make sure all constituency groups had an opportunity to share their thoughts and ideas. After much discussion, Brian Greene led YFA to a consensus that made perfect sense for our needs.
- **Holiday Social** - The YFA Holiday Social is a time to relax, have fun, speak to colleagues, and enjoy some great tacos. This year, the good times will roll during Finals Week, Wednesday, December 11th, 12 pm – 2 pm: MJC Faculty Lounge, East Campus, Library & Learning Center (Annex); Columbia YFA Office, Toyon Building. We look forward to seeing everyone there!
- **General YFA Training** - During Institute Week, instead of a General YFA Training, YFA will facilitate a General YFA Training Session. Faculty will be able to earn FLEX credit while attending this Training!
- **Part-Timer Membership Drive**—During Spring 2025, YFA welcomes you to a Part-Timer Membership Drive. During Fall 2024, YFA made a significant gain in Part-Timer and overload pay, an 8% parity increase, and in part-timer Health Benefits. YFA looks forward to having all Part-Timers become active members in an organization that serves YOU. [Join Today!](#)
